# SimplePay Patient Terms of Service

## **General Concepts**

- **I. Parties.** The following is an agreement between Simple Payments Corp. ("SimplePay") and you, a person seeking medical or dental treatment through patient financing ("Patient" or "You").
- **II. Patient Financing Plan.** SimplePay has created a patient financing plan to make the business of paying for medical and dental treatments simpler and easier for Patient. If you feel particular financial constraint at any given moment in time, the first step is to reach out to SimplePay to see how we might better assist you.
- **III. Provider.** This is defined as the person, entity, or company providing medical or dental services for Patient who is financed by SimplePay.

## **Payment Structure**

- **I. Enrollment Fee.** Immediately upon enrolling in any SimplePay financing program, Patient will be charged a \$39 Enrollment Fee. This fee is non-refundable.
- **II. Down Payment.** Immediately upon enrolling in any SimplePay financing program, Patient will be charged a specified amount for a Down Payment.
- **III. Contingent Enrollment.** Enrollment in any SimplePay financing program is contingent upon successful debit of both the Enrollment Fee and Patient's Down Payment.
- **IV. Transaction Fee.** Depending on the repayment plan chosen, you will owe a monthly payment for a specified period of time. You will be charged a monthly transaction-based fee of \$4 every time SimplePay debits a payment from your account. This is not an interest payment and is non-refundable and non-transferable. It will not be charged if Patient has no outstanding balance.

#### Late Payments, Fees and Recovery

- **I. Prepayment.** There is no penalty for prepayment or subsequent transaction fees once the full balance has been paid.
- **II. Payment Declined Fee.** Patient will be charged an additional \$25 whenever a payment is declined for insufficient funds or any other reason.
- **III. Late Fee.** If Patient fails to make a payment within 7 days of when it is due without making alternative arrangements with SimplePay, Patient will be charged an additional \$15 for each instance of late payment.

- **IV. Collections Fee.** If Patient fails to make a payment within 45 days of when it is due without making alternative arrangements with SimplePay, Patient will be charged an additional 15% collections fee. Patient will be charged an additional 25% collections fee (of balance owed) added at 90 days or the maximum amount allowable under applicable state and federal law.
- **V. Attorneys Fees.** If Patient fails to make a payment within 90 days of when it is due without making alternative arrangements with SimplePay, Patient will be responsible for paying for all of SimplePay's reasonable attorneys' fees required to collect all outstanding amounts from Patient.

#### **Termination and Cancellation**

- **I. Termination.** Only Provider may cancel the payment plan. Once enrolled in the program, Patient is responsible for making all payments in accordance with the other provisions of this Agreement.
- **II. Refunds.** SimplePay will not provide any refunds or return money once it has approved a Patient. Any decision to refund money must be made by Provider. SimplePay's fees are non-refundable.

#### **Additional Provisions**

- **I. Means of Communication.** By signing this Agreement, you consent to receive communications from SimplePay by phone or email. You may also opt in to receive text messages.
- **II. Assignability.** SimplePay may assign this Agreement to another party at any time. Patient's responsibilities are non-transferable and non-assignable absent written consent from SimplePay.
- **III. Credit Check.** SimplePay will not check your credit as part of this agreement.
- **IV. Credit Reporting.** SimplePay may report payment activities to credit bureaus as a non-debt recurring payment to help Patient build credit. SimplePay may also report defaulted debt to credit bureaus after payment is 45 days or more past due.
- **V. Governing Law.** This Agreement shall be governed in all respects by the laws of the state of Colorado.
- **VI. Severability.** If one or more provisions of this Agreement are held to be unenforceable under applicable law, the parties agree to renegotiate such provision in good faith. In the event that the parties cannot reach a mutually agreeable and enforceable replacement for such provision, then (a) such provision shall be excluded from this Agreement, (b) the balance of the Agreement shall be interpreted as if such provision were so excluded and (c) the balance of the Agreement shall be enforceable in accordance with its terms.
